

New Charges for FBI fingerprint Background Checks

Effective April 1st, 2012, the fees for fingerprint background checks will change from \$30.25 to **\$36.50**. Any fingerprint cards received after March 31, 2012 will be required to have the new fee in order to be electronically processed by the FBI.

You can continue to send fingerprint cards for individuals who are required to submit them as part of their background screening, our program will be scanning them and submitting them electronically to the FBI.

If you need fingerprint cards, you can request them by contacting one of our Regional Offices (see <http://health.utah.gov/licensing/contact.htm>) or The Department of Public Safety at (801) 965-4445. For questions concerning this information, please contact Joan Isom, Background Clearance Unit Supervisor at (801) 883-4675.
